

JEWELRY MAKING WORKSHOPS

THE PUTNAM HOUSE ~ CARRINGTON

METALSTAMPING 101: Learn the age old craft of metal stamping using stamps made of high carbon steel and a hammer. You'll make fun jewelry and embellish by stamping your own meaningful words, letters, designs or symbols and texturing with a chasing hammer. **FRIDAY, APRIL 30TH-6 PM; 12 SEATS AVAILABLE. Cost \$30**

ROCKIN' RIVETED RING: Learn how to make cold connections with rivets. We'll make a Sterling Silver ring band and embellish it by riveting on a river rock or piece of Hawaiian sea glass. You'll leave the class with a "Rockin' Ring" and be exposed to a variety of new jewelry making tools and techniques. *(Metalstamping 101 is a pre-requisite to this class)* **SATURDAY, MAY 1ST-9 AM; ONLY 6 SEATS AVAILABLE. Cost \$45**

MIXED METALS 2 LAYER RIVETED PENDANT : Learn how to make cold connections with rivets! We'll make a layered pendant using copper and silver; embellish or texture with metal stamps and rivet the two together; the piece is finished with a hand-formed bail. You'll leave the class with a beautiful pendant and be exposed to a variety of new jewelry making tools and techniques. *(Metalstamping 101 is a pre-requisite to this class)* **SATURDAY, MAY 1ST-1 PM; ONLY 6 SEATS AVAILABLE. Cost \$45**

"POSH" WRAPPED HOOP EARRINGS: *(Tamra's earring design are published in the April 2010 edition of Bead Trend's Magazine!)*. Learn how to form your own French-style ear wires and make a dazzling set of wrapped hoop earrings. You'll get to choose different metals to work with such as Sterling Silver, Brass, Bronze and Copper. Your choice of gemstones too! Learn of art of fine wire wrapping and head pin techniques. **SATURDAY, MAY 1ST-4 PM; ONLY 6 SEATS AVAILABLE. Cost \$35**

Pre-registration is required.

Limited space is available on a first-come, first serve basis.

All materials included in kits. Tools provided on a shared basis.

Call Alison Schumann at 701-652-5505 OR 652-2090

Or register on-line: www.justforyoujewelryandbeads.com

INSTRUCTOR: Tamra S. Kriedeman will share her skills and pass on the proper use of tools so students can experience the process and expression of creating jewelry that is uniquely their own.

All class participants will also receive these extra perks!
